

You can tell us what you think of our service using the form below. The Victims and Survivors Service (VSS) welcomes all feedback, positive or negative, and will use this to inform our service.

Full Name (optional)

Contact e-mail (optional)

Where did you hear about VSS?

How was your experience with VSS? *(This includes experiences with the Health & Wellbeing Caseworker and Advocacy Support Networks)*

Do you have any other comments / feedback?

Do you have any suggestions on how VSS can improve its service?

Thank you for your feedback.

You can be assured that VSS will read your comments and will take these into consideration when planning our support and services for victims and survivors. If you have left your contact information VSS may follow up with you to find out more and better understand what you have said.

To submit this form, first save it to your PC using the Menu above. Click **File > Save As** and remember where you saved it. Next, click the **Submit** button below. This will open an email message to VSS. Attach your completed form to it and click **Send**.

Submit
